

Be Guided Strategy for Engaging with God

Take some time after your session to ponder the words God spoke over your life.

1. What words in your Be Guided session resonate with you as being right on?
2. Which word(s) do you specifically want to engage with God to pursue in your life?
3. For each word you answered in #2, write a sentence thanking God for what He spoke into being for your life. Then write a statement in first person, declaring what God said.
4. Engage daily with God over the next weeks, using the prophecies you received, along with your words and declarations to continue to speak into being the things that don't yet exist in your life. Declare these every day, believing with God for them to be manifested in your life. Thank God for bringing life to you in these places.
5. Ask God what other practical things He wants you to do in faith to bring about the manifestation of these words in your life.

Romans 4:17 (NIV) ...God can raise the dead and call into being things that don't exist yet.

Job 22:28 (NKJV) You will also declare a thing, and it will be established for you; so light will shine on your ways.

Proverbs 18:21 (NIV) Death and life are in the power of the tongue.
